

John Graham is an appointed representative for Rio Tinto Alcan and is the Chair of the Administration and Finance Sub-Committee.

My name is John Graham and I am a Rio Tinto Alcan representative on the Weipa Town Authority. For the last four years I have been the Community Relations Manager at Rio Tinto Alcan Weipa. I have recently joined the Weipa Town Authority and I am looking forward to contributing to the growth and development of Weipa. Other roles that I have undertaken within Rio Tinto Alcan include electrical tradesman, apprentice training, human resources, mine superintendent and business improvement.

I am a long term Weipa resident having arrived in Weipa in December 1979. During my time in Weipa my wife and I have raised a family and have contributed to the community through various community groups. Examples of my contribution to community groups include; president of the Weipa squash club, member of the Weipa sports association, chair of the Weipa Preschool and Kindy. I am currently the president of the Weipa Sportsfishing Association and a full member of the golf club and a social member of the bowls club. I am also playing in the tennis competition.

I feel that I bring a balanced perspective to the Weipa Town Authority by being able to address issues both as a community member and as a Rio Tinto Alcan employee. I look forward to my time on the Weipa Town Authority and being able to contribute to the growth of the township of Weipa.
